Highlights

Titanium blades

Advanced titanium blades for superior cutting performance and long-lasting sharpness

Built to last
All of our grooming products are built to last. They come with a 2 year worldwide guarantee, worldwide voltage compatibility, and they never need to be oiled.

100% waterproof

Simply pop the head open and rinse under the tap to clean.

Follows every curve
Gently follows the contours of your head for a fast, even and comfortable haircut.

Zoom wheel length settings
Turn the zoom wheel to select and lock in the length setting you want. The all-in-one adjustable comb provides 21 length settings from 0.5mm to 21mm, with precisely 1mm between each length. Or you can use it without a comb for a close 0.5mm trim.

Battery light
The light is continuously lit to indicate a full battery, and blinks orange when you have about 10 minutes left of usage.

NiMh batteries
Use with or without cord for flexibility. The powerful NiMh batteries last for up to 60 minutes after an 1 hour charge. A quick 10 minute charge gives you 10 minutes of clipping time, so it's always ready when you are.

Bonus premium pouch
Premium pouch keeps the hair clipper and accessories safely together for travel and storage
